GENERAL INSTRUCTIONS

I. Eligibility Requirements for Use of Form S-2

Any registrant which meets the following conditions may use this Form for registration of securities under the Securities Act of 1933 (“Securities Act”) which are offered or to be offered in any transaction other than an exchange offer for securities of another person:

- A. The registrant is organized under the laws of the United States or any State or Territory or the District of Columbia and has its principal business operations in the United States or its territories.
- B. The registrant has a class of securities registered pursuant to Section 12(b) of the Securities Exchange Act of 1934 (“Exchange Act”) or has a class of equity securities registered pursuant to Section 12(g) of the Exchange Act or is required to file reports pursuant to Section 15(d) of the Exchange Act.
- C. The registrant:
 - (1) has been subject to the requirements of Section 12 or 15(d) of the Exchange Act and has filed all the material required to be filed pursuant to Section 12, 14 or 15(d) for a period of at least thirty-six calendar months immediately preceding the filing of the registration statement on this Form; and
 - (2) has filed in a timely manner all reports required to be filed during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement, other than a report that is required solely pursuant to Item 1.01, 1.02, 2.03, 2.04, 2.05, 2.06 or 4.02(a) of Form 8-K (§249.308 of this chapter). If the registrant has used (during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement) Rule 12b-25(b) (§240.12b-25(b) of this chapter) under the Exchange Act with respect to a report or a portion of a report, that report or portion thereof has actually been filed within the time period prescribed by that rule.
- D. Neither the registrant nor any of its consolidated or unconsolidated subsidiaries have, since the end of their last fiscal year for which certified financial statements of the registrant and its consolidated subsidiaries were included in a report filed pursuant to Section 13(a) or 15(d) of the Exchange Act:
 - (a) failed to pay any dividend or sinking fund installment on preferred stock; or

- (b) defaulted
 - (i) on any installment or installments on indebtedness for borrowed money, or
 - (ii) on any rental on one or more long term leases, which defaults in the aggregate are material to the financial position of the registrant and its consolidated and unconsolidated subsidiaries, taken as a whole.
- E. A foreign issuer, other than a foreign government, which satisfies all of the above provisions of these registrant eligibility requirements except the provisions in I.A. relating to organization and principal business shall be deemed to have met these registrant eligibility requirements provided that such a foreign issuer files the same reports with the Commission under Section 13(a) or 15(d) of the Exchange Act as a domestic registrant pursuant to I.C. above.
- F. If a registrant is a successor registrant it shall be deemed to have met conditions A., B., C., and D. above if:
 - (1) its predecessor and it, taken together, do so, provided that the succession was primarily for the purpose of changing the state of incorporation of the predecessor or forming a holding company and that the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor, or
 - (2) all predecessors met the conditions at the time of succession and the registrant has continued to do so since the succession.
- G. If a registrant is a majority-owned subsidiary which does not itself meet the conditions of these eligibility requirements, it shall nevertheless be deemed to have met such conditions if its parent meets the conditions and if the parent fully guarantees the securities being registered as to principal and interest. Note: In such an instance the parent-guarantor is the issuer of a separate security consisting of the guarantee which must be concurrently registered but may be registered on the same registration statement as are the guaranteed securities.
- H. *Electronic filings.* In addition to satisfying the foregoing conditions, a registrant subject to the electronic filing requirements of Rule 101 of Regulation S-T (§232.101 of this chapter) shall have filed with the Commission:

all required electronic filings, including confirming electronic copies of documents submitted in paper pursuant to a hardship exemption as provided by Rule 201 or Rule 202(d) of Regulation S-T (§232.201 or §232.202(d) of this chapter); and

II. Application of General Rules and Regulations

- A. Attention is directed to the General Rules and Regulations under the Securities Act, particularly those comprising Regulation C thereunder (17 CFR 230.400 to 230.494). That Regulation contains general requirements regarding the preparation and filing of registration statements.
- B. Attention is directed to Regulation S-K (17 CFR Part 229) for the requirements applicable to the content of the non-financial statement portions of registration statements under the Securities Act. Where this Form directs the registrant to furnish information required by Regulation S-K and the item of Regulation S-K so provides, information need only be furnished to the extent appropriate.
- C. A "small business issuer," defined in Rule 405 (17 CFR 230.405), that is eligible to use Form S-2, shall refer to the disclosure items in Regulation S-B (17 CFR 228.10 *et seq.*) and not Regulation S-K. For example, while Item 1 of Form S-2 requires the information required by Item 501 of Regulation S-K,

a small business issuer shall provide the information in Item 501 of Regulation S-B. Where Regulation S-B does not contain a comparable Item, for example there is no Item “301” in Regulation S-B, then a small business issuer may omit the Item. A small business issuer shall provide the financial information in Item 310 of Regulation S-B in lieu of the financial information called for by Item 11 of Form S-2.

- D. A “small business issuer,” as defined in Rule 405 (17 CFR 230.405), that provided the “Information Required in Annual Report of Transitional Small Business Issuers” in its most recent annual report on Form 10-KSB is not eligible for use of this Form S-2.

III. Registration of Additional Securities

With respect to the registration of additional securities for an offering pursuant to Rule 462(b) under the Securities Act, the registrant may file a registration statement consisting only of the following: the facing page; a statement that the contents of the earlier registration statement, identified by file number, are incorporated by reference; required opinions and consents; the signature page; and any price-related information omitted from the earlier registration statement in reliance on Rule 430A that the registrant chooses to include in the new registration statement. The information contained in such a Rule 462(b) registration statement shall be deemed to be a part of the earlier registration statement as of the date of effectiveness of the Rule 462(b) registration statement. Any opinion or consent required in the Rule 462(b) registration statement may be incorporated by reference from the earlier registration statement with respect to the offering, if: (i) such opinion or consent expressly provides for such incorporation; and (ii) such opinion relates to the securities registered pursuant to Rule 462(b). *See* Rule 411(c) and Rule 439(b) under the Securities Act.
